Newsletter

Vol. - III, Issue - I
January - December, 2024

Dr. Phatik Tamuli
Principal

Message from the Editor-in-Chief :

With great pride, it gives me immense pleasure to bring forth the 3rd issue of Lanka Mahavidyalaya's Newsletter, 2024. A newsletter plays a pivotal role, specifically in an educational institution, as it provides an opportunity for us to reflect on progress, celebrate academic achievements, and pinpoint areas for improvement within the academic arena, thereby fostering a culture of continuous improvement and excellence. Like the previous two issues, this issue also highlights significant contributions from faculty members and students, fostering a sense of pride and connection among readers, as it promises to deliver a rich array of content reflecting the ongoing endeavors and successes of the college. I extend my heartfelt appreciation to all the contributors for making this newsletter a success. I hope this issue inspires and motivates our readers to strive for excellence and will serve as a cornerstone in shaping the institution's future growth and enhancing its reputation.

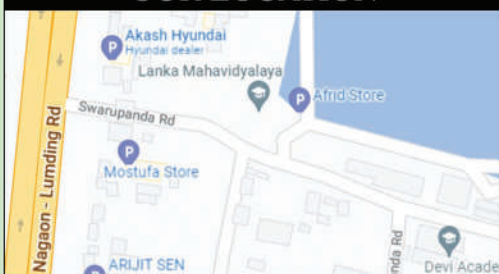

Editorial :

It is a great privilege for me to edit the third issue of Newsletter of Lanka Mahavidyalaya. I am greatly honoured to serve in this capacity as it allows me to give back to an institution that has been an integral part of my professional life over decades. Newsletter usually serves a few purposes such as- encouraging the college community i.e., the faculty members and the students to develop their respective domain and reflect the annual achievements of the faculty members and the students. This third issue of the newsletter treasures all achievements, activities, publications and recognition that the institution had received in the year 2024. This would definitely motivate the entire college community to thrash out in their respective domain. Finally, I convey my sincere thanks to all the faculty members for providing related information and special thanks to Miss Silpisikha Baruah, Dr. Mousumi Nath and Mr. Ankur Hazarika for compiling all the informations to publish the Newsletter.
